Set in jazzy, 1920s prohibition-era Chicago, this Tony Award-winning musical will razzle and dazzle audiences. Roxie Hart and Velma Kelly shot their lovers. Both had it coming. The girls end up on death row in the Cook County Jail and vie to be media sweethearts in their fight for freedom. Featuring song after song: Mister Cellophane, Razzle Dazzle, All that Jazz and more.

Also featuring Adam Estes, Gary Carlson, Monique Haley, Callie Johnson, Christina Myers, Travis Porchia, Will Skrip, Angie Stenberg and Lucy Zukaitis.

Chicago is the #1 Longest Running American Musical in Broadway History. Come on babe, why don't we paint the town? "And all that jazz ..."

Performances are held in an  
all-weather pavilion
