

May 20, 2021

Dear Friends,

I hope this communicate finds you healthy and hopeful as vaccination rates continue to climb and we are able to begin to envision a post-COVID future. It has been a few months since I shared the unique challenges we face in reopening this beautiful theater and today, I wanted to provide you with a brief update on our 2021 season.

The entire team is working hard to bring live theater back to our home down by the bay from July 20 – September 19, 2021. We have submitted our health and safety plan to Actors' Equity Association and the Society of Directors and Choreographers and are awaiting approval to move forward with our scaled-back plans for this most unusual year. While we are not prepared to share specific show titles at this time, rest assured we have acquired the rights to the shows we want to produce, and we couldn't be more excited to share these stories with you.

We ask for your continued patience and please know that once we have received approval from our union partners, we will be reaching out with more details on how our health and safety plan will affect you, our wonderful patrons and donors!

Until then, enjoy the final month of Spring and know we are dreaming of hearing your laughter and applause fill the grounds in a few months.

Kindest regards,

A handwritten signature in black ink that reads "Brian Kelsey". The signature is written in a cursive, flowing style.
