Dear Friends,

We look forward to you joining us by the bay in 2024 for our 89<sup>th</sup> season of spectacular professional theater. Explore the enclosed subscription materials to see what awaits you!

**Season Forms:** If you were a series subscriber in 2023, your 2024 seats are listed on the enclosed renewal invoice. If you were a Flex subscriber or are interested in a new subscription to the 2024 season, a blank subscription form is enclosed. Flex subscribers pick the dates that work for them, and our Box Office team assigns the best seats available. Please contact me for series seating options.

**We will keep all the side panels open** during summer performances and continue to use e-tickets and ticket scanners. We will email your tickets unless otherwise requested. Please see the renewal form for delivery options.

**The 2024 Playbill** is on the back of the **Series Subscription Grid** form, and a **Seating Chart** is on the back of this letter. Flexible subscriptions may be purchased through the closing performance of the first show of the 2024 season.

**February 23 is the deadline for series package upgrades/changes;** individual **online ticket sales begin March 1.** Please return your forms and payment promptly if you would like a series package with the same seats for all five shows. Once individual ticket sales begin, we cannot guarantee the same seats for all five shows.

#### **Subscriber Privileges Include –**
